

Where do I send my files?

Attach your file(s) to an email and send it to us at Imports@JackrabbitTech.com. Make sure to include your full name and your organization's name, so that we will know who the data belongs to and which database to upload it into. If your file size exceeds email limits (typically 20MB), you can use a free cloud file sharing service such as "[Dropbox](#)" or "[Hightail](#)".
