Futura Adventures - www.FuturaAdventures.com is a large multi-state, multi-region franchise offering hundreds of classes.

- Hover over Register and then select, for example, Wisconsin. The Wisconsin page then displays workbooks and classes.
- Within a Region they further organize the classes by Location alphabetically, making it easy to find the closest classes.

The Language Workshop for Children - www.LanguageWorkshopForChildren.com offers one-on-one online lessons with highly skilled language instructors.

- Click on 'Private Lessons' to see the Tuition and Options class listings table.
-
