

# View User Activity

Last Modified on 06/05/2019 8:44 pm EDT

- Point to **Tools** and click **Manage Users & Permissions**.
- Click on a **User ID**.
- On the left menu of options, select **User Activity**.

The activity displayed is a view of recent activity only. If you need to see older user activity, please use the Help button in your database to ask our Support team to assist you.
