

Print Mailing Labels for your Leads

Last Modified on 12/04/2018 2:06 pm EST

1. Go to **Families > Lead File**
2. Choose **Print Labels** from the menu on the left.
3. Use the **Search Criteria** to choose which family labels to print. Labels are formatted for Avery 5160 Address Labels.

Note: For proper alignment, be sure that Print Scaling is set to None in your Printer Settings.
