

Email Templates - An Overview

Last Modified on 06/05/2019 8:46 pm EDT

[See a short video \(1:16\) tutorial on Email Templates](#)

An email template contains basic information and formatting so that it can be re-used and edited whenever needed. Jackrabbit offers a comprehensive list of typically-used templates, each with full-color graphics and standard wording. You can use any of these as they are, edit them to customize for your organization, or create your own!
