

# User Permissions Required for the Store

Last Modified on 06/05/2019 8:46 pm EDT

There are seven **store** related user permissions. The first six automatically default to Yes for all Users. The *View Item Cost in List Items* permission automatically defaults to No.

Go to **Tools > Manage Users & Permissions > User IDs** (click on a UserID) > **User Permissions** (left) to set the permissions.

**Note:** *After changing the permissions, you'll need to logout and log back in for the permissions to take effect.*

These are the permissions related to the Store:

Category		User Permissions
Store	<input checked="" type="checkbox"/>	Store Menu
	<input checked="" type="checkbox"/>	Add/Edit Items
	<input checked="" type="checkbox"/>	Edit Item Price/End Price in Make a Sale
	<input checked="" type="checkbox"/>	View Store Reports
	<input checked="" type="checkbox"/>	Add/Edit Store Accounts
	<input checked="" type="checkbox"/>	Add/Edit Store Vendors
	<input checked="" type="checkbox"/>	View Item Cost in List Items

See [Permissions for Jackrabbit Users](#) for more information.
