

# Revenue Snapshot Report

Last Modified on 08/20/2019 4:39 pm EDT

The **Revenue Snapshot** report displays revenue by both *Payment Method* and *Category 1*.

From the *Reports* menu > *Transactions / Financials*, the Revenue Snapshot report can be found under the *Recommended* tab.

- ★ Backup journal entries created using Jackrabbit's integration with QuickBooks.
  - ★ Analyze each day's revenue by Payment Method and Category 1 with ease.
  - ★ View revenue subtotals for each Category 1 for the specified date or date range.
- 

## Search Criteria

Use the Search Criteria to narrow results down to the payments you want to work with.

Leaving a field blank is the same as saying "all".

# Revenue Snapshot

Search Criteria

This report, formerly called the QuickBooks Report, will create a daily total of fees paid by Payment Method and Category 1. To export data to a QuickBooks IIF file, use [Tools > QuickBooks Export](#).

Location: ALL (dropdown menu with options: JET-Cheer, JET-Dance, JET-Dojo, JET-Gym) (Select one or more by holding the CTRL key)

Date Paid from: 4/18/2019 through 4/18/2019

The criteria selected will return all revenue paid on 4/18/19.

## Display Settings

Before submitting for results, you can adjust the following settings:

- Subheading
- Show Refunds
- Show Notes
- Report format
