

Why don't my Weekly / Daily classes display or print in color?

Last Modified on 01/14/2019 2:22 pm EST

Colors must be assigned to a *Category 1* field (using *Tools > Edit Settings > Drop-down Lists > Class Category 1* and a *Category 1* field must be assigned to each class in order for colors to display on calendar views. Review [Class Categories](#) for instruction on adding colors.
