

# How do I make the Parent Portal hotlink appear in the top of my Online Web Registration form?

Last Modified on 08/30/2022 1:53 pm EDT

The link *Already a Customer? Click Here to Login* appears automatically when your Parent Portal is active.

To activate your portal, go to **Tools > Parent Portal > Settings** tab, and select the *Activate Portal* checkbox at the top. The link provides a quick way for returning customers to sign into their Parent Portal to continue.
