Do I have to assign all my families a portal User ID and password?

Last Modified on 02/04/2019 9:37 am EST

No, you don't have to assign the Parent Portal User ID and password. Parents set up their Portal Account Password during the Online Web Registration process. Refer to the following articles for more detailed information:

- **Parent Portal - Your Customers' First Log In**

- **Introduce your Parent Portal / Instructional Video**
