

The "Make a Payment" button is missing from our Portal's "Fees and Payments" tab. Where is it?

The **Make a Payment** button shows up AUTOMATICALLY when these two things are true:

- You are connected to ePayments through one of our gateway providers.
- *Make Payments* setting in your Parent Portal Settings tab under *Fees & Payments* is checked or enabled.

See the [Parent Portal ePayments - An Overview](#) for more details.
