

My legal policies (Agreement Texts) aren't showing up inside the Portal.

Last Modified on 02/04/2019 10:15 am EST

Create or edit your legal policies in **Tools > Online Web Registration > Agreement Text (Legalese)**. Your families can view your policies in the Portal by navigating to **Billing & Payments** on the menu and selecting the **Policies** icon. To require your families to agree to your policies, point to **Tools > Parent Portal > Settings** and enter a date in the Policies Agreement Date field in the Family Information area.
