

How do I require all my current customers to sign/agree/re-agree to some new policies that we just added?

Last Modified on 01/14/2019 2:42 pm EST

Go to **Tools > Parent Portal > Settings > Family/Student Information** and enter a date in the Policies Agreement Date box field that is the date you revised your policies.

For more detailed information refer to [Legal Policies and the Parent Portal](#).
