

# Why don't I see Email/Text Families under the Families menu (or the Text button for a family or the Email/Text Class button for a class or any of the Staff Texting options)?

Last Modified on 12/04/2018 2:11 pm EST

There are 2 user permissions that control text messaging. They are both located in the Tools section of the permissions, *Text Message Settings* and *Send Text Messages*.
