

Can you explain more about the consent that is required to send text messages?

Last Modified on 02/15/2019 6:41 pm EST

To be compliant with SMS rules, organizations that send text messages must obtain consent that the recipient has agreed to receive texts. A simple and quick way to offer compliance is to use the email template, #135 Email Template. See [Opting-In Contacts & Students](#) for more information.
