

What if an existing family attempts to register via the event registration form (instead of the portal). Will a duplicate family record be created?

Last Modified on 01/14/2019 3:13 pm EST

If your organization has given existing families the ability to register for events in their Parent Portal (*Tools > Parent Portal > Settings tab, Event Registration*), and the existing customer tries to register from the event calendar on your website (instead of in their portal), the Event Registration form will contain a red link directing the customer to use the portal instead.

If the customer ignores the link, and proceeds to fill out the form as a new customer, the form will still be submitted and a duplicate family record will be created.

See our article [Prevent Duplication of Family Accounts with Online Event Registration](#) for full details.

Our Dance Fever birthday party offers 1 1/2 hours of birthday fun for both boys and girls! As attendees arrive, they'll check out the costume closet for fun & funky dance attire. We'll follow with 45 minutes of age and music appropriate dance instruction. The last 45 minutes the party gang can settle down for refreshments & present opening. We supply set-up and clean up as well as paper products and a dance themed treat bag for each attendee. Parent supplies cake & juice boxes. \$150 for 10 children
