

I am located in New Zealand, can I use ePayments in Jackrabbit?

Last Modified on 01/16/2019 3:59 pm EST

Through our [Payment Partners](#), [SafeSave Payments](#) and [C&H Financial Services](#), both credit card and bank draft (eCheck) processing are available in New Zealand. Contact [SafeSave Payments](#) or [C&H Financial Services](#) to set up your gateway account. The merchant processor for New Zealand is IntegraPay; our Payment Partners will assist with the set up of your merchant processing account.
