

I am located in Australia, can I use ePayments in Jackrabbit?

Last Modified on 01/16/2019 3:56 pm EST

Through our [Payment Partners](#), SafeSave Payments and C&H Financial Services, both credit card and bank draft (eCheck) processing are available in Australia. Contact [SafeSave Payments](#) or [C&H Financial Services](#) to set up your gateway account. The merchant processor for AU is IntegraPay; Our Payment Partners will assist with the set up of your merchant processing account.
