

Can I mass delete information that is filled in under a Family's User-defined fields?

Last Modified on 06/19/2020 10:01 am EDT

Yes, you can mass delete the User-defined fields (UDF) for ALL Families at once from the *Families* menu > *Clear UDF Answers*.

User Permissions

The User ID must have this permission under Families to process a mass delete:

- *Clear Family User Defined Fields and Family/Student Fixed Fees and Discounts (Class-based billing only)*
-
