If your agreement text was signed via web registration or the Parent Portal, their eSignature is located in the Family's *Misc* tab. Click the **View Registrations** button. Click the **View** link next to the registration in question.

The screenshot shows a software interface for a family named "Abernathy". The "Misc" tab is selected, and the "View Registrations" button is highlighted. A "Registrations" pop-up window is open, displaying a table with the following data:

Date	Type
3/2/2015	WebReg
8:52:00 AM	

A "View" link is highlighted with a mouse cursor next to the registration entry. The "Close" button is visible at the bottom of the pop-up window.

The eSignature is titled *Full Name*.
