

Tuition Rates - An Overview

Last Modified on 06/11/2019 5:01 pm EDT

There are two ways to bill your Families in Jackrabbit Care: *Class Based Billing* and *Student Based Billing*. All new databases are defaulted to *Student Based Billing* and that is what is discussed in this section for setup. *Class Based Billing* might be a better fit if most of your Students pay the same rate - regardless of attendance - for being enrolled in a particular class. See [Billing Setup - Student vs Class Based Billing](#) for more information.

needed!

There is a user permission that is required to add, edit, and delete tuition rates. This permission is checked automatically for new users. You can take this permission away from any user as
