The Clock - An Overview

The Clock uses PINs (Personal Identification Numbers) to check Students and Staff in and out.

A staff member's PIN is only for Clock In/Out. It does not allow access to your Jackrabbit Care database.

The Clock's Main Features

- Student Check In / Check Out

- Staff Clock In / Clock Out

- Auto-generate PINs option

- Additional Pickups (PINs can pick-up students in another family)

- Group PINs (bus driver or teacher can check in a group of students)

- One Time Drop Off / Pick Up (example: visiting relative with no PIN)

- Reports, including a Failed Sign Out (FSO) Report
