Save and Launch the Clock from your Desktop

Last Modified on 12/27/2018 2:51 pm EST

Save the Jackrabbit Login page as an icon to your desktop. The directions here are for Google's Chrome browser.

- 1. Go to the three dot menu in the upper right of Chrome.
- 2. Select More Tools.
- 3. Select Create shortcut.

\leftrightarrow \rightarrow C \triangleq https://app.jackrabbitclass.com/ \Rightarrow						
Jackrabbit M Help Center S Smartsheet M CARE Help C Jackrabbittechnologies Jackrabbit User Loc				Ctrl+T Ctrl+N hift+N		
User ID Password	History Downloads Ctrl+J Bookmarks					
Log In	Zoom - 100% + E 2 Print Ctrl+P Cast Ctrl+P					
Are you a parent trying to	Find Ctrl+F More tools Edit Cut Copy Past			Ctrl+F	Save page as Create shortcut	Ctrl+S
	Settings Help				Clear browsing data Extensions Task manager	Ctrl+Shift+Del Shift+Esc
	Exit				Developer tools	Ctrl+Shift+I

4. Enter the name you prefer and Add.

The icon for Jackrabbit is now on your computer's desktop. Double click to launch in Chrome and sign into the clock.
