

Here Now Report

Last Modified on 01/10/2019 11:22 am EST

This report provides a list of students / staff currently checked in (on the premises). In an emergency, this is a quick way to account for everyone in the building. This report may be printed or exported.

1. Point to **Clock** and select **Here Now Report**.
 2. Select a Location and/or class only if you want to narrow down your results by class or location. To run a report for all locations/classes, do not select any criteria.
 3. Click **Submit**.
